

# AutoGoldPro (\$AGP) — Fair Launch Manifesto

---

## Overview

---

AutoGoldPro (\$AGP) is a fair launch meme token on BNB Smart Chain (BSC), created to demonstrate that transparency and honesty are still possible in crypto.

Tired of scams, rugs, hidden taxes, and fake “teams”, this project is built with zero compromises:

- No owner
- No mint, pause, or blacklist functions
- 0% tax on all transfers
- LP burned permanently
- Free pro-grade TradingView indicator for all holders

If it pumps — great. If not — you still get real utility.
